Principal’s Update

Welcome to semester 2 of this school calendar year.

The room and staff changes for Active Learners that commenced at the beginning of this term appear to be working well. If you have any feedback on these changes please contact Gayle or myself to pass on this feedback.

Congratulations to Janine who will be acting Head of Curriculum (HOC) for Term 3 2014 while Carl is on long service leave. As a result of Janine filling this vital position in our school Mira will act as Senior School Area Coordinator while Janine is acting as HOC. Congratulations to Mira and welcome to the leadership team at Aspley Special School.

Award Scheme Development and Accreditation Network (ASDAN) continues to be a major focus to assist student learning at Aspley Special School. Kylie Glencross is working one day a week with staff to provide support and to coordinate our efforts with ASDAN. This is part of our Great Results Guarantee commitment.

Leena is coordinating our planning and implementation of reading and communication. Leena is working one day a week with staff to support our implementation and data gathering to inform ongoing planning for reading and communication. This is also a part of our Great Results Guarantee commitment.

As a school we have indicated that we are interested in maintaining a regional Metropolitan Schools Training Unit (MSTU) type of Registered Training Organisation (RTO). It will be hosted out of Western Suburbs Special School and should ensure that students can continue to access certificate courses via a RTO. This new service should ensure that students have lifelong opportunities and continuing access to accredited RTO courses.

We are in the process of entering data for the Nationally Consistent Collection of Data. This is a federal initiative that our state is supporting. A note has already been sent home to parents and carers with an information sheet. The data that is provided is data that already exists in relation to adjustments to curriculum and support for student learning. If you have any queries in relation to this collection please contact Gayle or myself.

Thank you to all those parents or carers who have completed the online opinion survey. As you will have noticed there were some changes this year with the paper survey being replaced with an electronic version that does not identify you but makes anonymous aggregation of the survey to be completed in a shorter timeframe. Another change was that all parents and carers were provided with access to the online survey instead of just a random sample of parents and carers. Again if you have any feedback about the process and access to the opinion survey please contact Gayle or myself.

Cheers

Acting Principal
Deputy Principal’s Update

Welcome to Semester Two and the start of Term Three. The year is flying past and already we are three weeks into the term. The students have settled quickly and are working well in their classes. There have been lots of positive stories about how students and classes have coped with change and are showing more mature attitudes and behaviours.

As it was Naidoc Week during the holidays we decided to have a Naidoc Activity Day on the first Friday. There was face painting, cooking, flag painting and a colouring contest. Thanks Kasie Shanahan for organising this and please check out the colouring-in winners in the office if you are visiting the school.

Almost 40 students and some staff attended the V8’s at Ipswich this week. Students who wished to participate were given a passport that had to be signed over a couple of weeks by different teachers. The passport showed that the student had followed each of our school rules and was therefore eligible to attend the event. Well done to those students who achieved this and thanks to Matt Edmunds and the staff who organised and supervised their attendance.

This term the Aspley Hypermarket has organised an “Earn Cash for Your School” competition. There is more information regarding this on a flyer attached to this newsletter. We will be asking the school community to support us in collecting docketes and doing shopping at the Hypermarket during the weeks beginning 4th August until Friday 12th September. Hopefully this will be enough to win some of the $7000 prize money. Watch out for any flyers or notes regarding this competition. Thanks.

Teachers will be contacting parents early this term to renegotiate the SET plans and ILP’s for the next 6 months. Some programs will have to be reviewed and changed as classes may have different specialist programs this semester. Along with this the focus on individual goals may need to be reviewed and determined.

Just another reminder to Parents and Carers when you are visiting the school or picking up your child - Please remember to enter the school via the office and sign in. Also as the classes move around it is better to have the office contact the teacher and find the class rather than wander through the school looking for them. We are obliged to know who is in the school for safety and emergency reasons.

Also there have been many students with colds and flus. Please ensure your child stays home when they are unwell so as not to spread the flu amongst other students and staff. We understand how difficult this can be at times but are very appreciative when families keep their sick children at home.

Gayle Morton
Deputy Principal
I would like to welcome Anne McCartin back to my classroom for term 3. Anne and my students know each other well now and I am confident that she will enrich the lives of each student in my absence.

I also wish to congratulate Mira Ristovski for being appointed as Senior School Coordinator for term 3.

I am enjoying taking Carl’s position as Head of Curriculum as long as I don’t think about what he is doing instead at this point in time! I have been in touch with him a few times and feel very envious when I hear about his amazing experiences in gorgeous Tuscany, lapping up the cheap deals in Thailand, and absorbing the authentic flavours and sounds of Berlin.

Its business as usual at Aspley Special School and I will begin by introducing you to Marie Davidson. Marie is a retired teacher who has been such a great help to us as a volunteer. She has been coming to our school for quite some time to assist teachers by testing students’ literacy levels. Marie enjoys interacting with the students on an individual basis while she listens to them read and tests their comprehension.
Jeans for Genes Day.
We will be supporting Jeans for Genes Day on Monday 11 August.
Jeans for Genes Day is one of Australia’s most loved fundraising events. A generation of Australians have grown up with this iconic fundraiser which started 20 years ago and continues to provide vital funds for Children’s Medical Research Institute (CMRI). Jeans for Genes Day brings together school children, workmates, friends and families across the country in a united show of support for research into childhood genetic diseases affecting 1 in every 20 kids. The more people who get involved, the more money we raise and the sooner we will find more cures for more kids.
All staff and students are invited to wear Jeans with their school shirts on Monday 11 August as long as they donate a gold coin or two! Each child who donates a coin will receive a pencil set.

Uniforms
There are a few students who have been reminded on a regular basis to wear the correct uniform. Please can parents and carers assist us by checking how your child leaves the house each morning. We understand it is cold at the moment. Extra layers can be worn underneath their uniforms where they are not visible.
What to look out for:
- Students may NOT wear beanies or hoodies.
- Students must wear a school shirt and jacket, with or without the logo. (preferably with the logo to identify students when they are off campus) **NO** colourful alternatives may be worn.
- Students are to wear the school cap or bucket hat. No other hats will be accepted. Caps are not to be worn backwards.

Students who do not comply with uniform regulations will be given a uniform card as a warning and ultimately face consequences.

Thank you for your cooperation.

*Cheers*
*Janine Hussey*
*Acting Head of Curriculum*

**From the Office**
A big Welcome back. Hope you all had a well-earned break even if a little on the chilly side.

**Voluntary Contribution**, please be aware that this contribution is **tax deductible**. I will endeavour to get invoices out to you for this contribution in the next couple of weeks. We have Efptos facilities in the office for your convenience. Please do not hesitate to contact the office if you have any questions.

We have purchased a new bus as our buses are not new anymore and are becoming very needy in the maintenance area. With the help of the following we were able to purchase a 12 seat commuter bus (seats were taken out to enable a wheelchair conversion). Training for the new wheelchair lift took place on Tuesday morning by David of Tiemans.

*A great big thank you to all.*
Grounds-work has started on the Sensory room and the Sensory grounds. The outside area has been turfed and looks great. Our students will love this area when finished with seating etc.

A carpenter has been organised to build bench areas outside the coffee shop. This will enhance and make more area to sit or stand to enjoy coffee and cake.

The corner of the front grounds is being made ready for our tree planting day on Monday 4th August, when all classes will plant a tree.

I hope that our previous funnies were appreciated and bought a smile to all. Will try to find and share a little humour each newsletter.

**Uniform Shop News**

The Uniform Shop will be open from 9.30 until 11.00am on the following dates during Term 3:-

Monday 11th August
Monday 8th September

**The P&C is looking for a new Uniform Coordinator(s) for 2015!!**

We have thoroughly enjoyed working in the Uniform Shop over the last couple of years, but have decided to hand it over at the end of this year. It’s our plan to help the new person(s) by working along-side them until the time they feel fully comfortable with the procedures. The busiest times in the Uniform Shop are the latter part of Term 4 when the school hosts the New Parent Day for 2015 and during Term 1 when all the families are replenishing uniforms. We would be working with you during these times.

So have a think about it! It’s a fun way to get involved in the school. If you have any questions, come along to the next P&C meeting or get in touch with us via the office.

**Kingfisher Report for July**

Another good month of recycling with Students and Volunteers working hard. The extra bottle crusher bins have finally arrived. Now the students are crushing an average of 20 bins of glass a week, which equals to a tonne of glass in weight.

The last week of Term 2, the volunteers from the Wednesday group enjoyed a BBQ brunch with Ches, Leanne and I as appreciation for the hard work they do.

If you have any computers or televisions working or not, either at home or work and do not need them anymore please bring them down for recycling. Also if you have any cardboard, newspaper or magazines please bring them down.

Two students from the Senior School, Daniel and Jacob are doing work experience on Wednesdays. They are learning all the aspects of recycling e.g. dismantling computers, crushing glass, sorting cardboard and paper, working with the volunteers and assisting the public.
Below is a list of what was recycled.

Recipes from the office

Pumpkin and Cashew Couscous Salad

Ingredients

- 500g butternut pumpkin, peeled, deseeded, cut into 2cm pieces
- 2 tablespoons olive oil
- 2 teaspoons cumin seeds
- Salt & freshly ground black pepper
- 375ml (1 1/2 cups) chicken stock
- 290g (1 1/2 cups) couscous
- 145g (1 cup) salted roasted cashews
- 150g (1 cup) fresh dates, pitted, coarsely chopped
- 1 cup coarsely chopped fresh coriander
- 60ml (1/4 cup) fresh lemon juice

Method

Preheat oven to 180°C. Place the pumpkin in a roasting pan and drizzle with half the oil. Sprinkle with cumin seeds and season with salt and pepper. Roast in oven, turning occasionally, for 30 minutes or until golden brown and tender. Set aside to cool.

Combine the stock and remaining oil in a medium saucepan and bring to the boil over high heat. Remove from heat. Add the couscous while stirring with a fork. Cover with a lid and set aside for 5 minutes or until all the liquid is absorbed. Use a fork to separate the grains. Transfer to a large bowl.

Add the pumpkin, cashews, dates, coriander and lemon juice to the couscous and gently toss until well combined. Taste and season with salt and pepper. Serve immediately.
Creamy Pumpkin Soup

Ingredients
2 tablespoons olive oil, plus extra to serve
1 onion, roughly chopped
2 garlic cloves, roughly chopped
600g peeled, chopped pumpkin
1 potato, chopped
2 carrots, chopped
1 leek (white part only), chopped
1/2 teaspoon ground nutmeg
3 cups (750ml) chicken stock
1/2 cup (125ml) pure (thin) cream
Parsley for decoration

Method

Heat oil in a large saucepan over medium heat. Add onion and cook for 2-3 minutes until soft. Add garlic, vegetables and nutmeg, then toss to coat. Add stock and 2 cups (500ml) water, then bring to the boil. Reduce heat to low, cover and cook for 25 minutes or until the vegetables are tender. Cool slightly.

In batches, transfer to a blender and whiz until smooth. Return soup to the saucepan and place over low heat. Stir in cream, then season. To serve, ladle into bowls and top with parsley, then drizzle with extra oil.

Welcome back to a new term! It’s hard to believe that it is already term 3 and I’ve seen signs telling me that there are only 22 weeks until Christmas Eve!

I was fortunate over the holidays to go and spend some time overseas. I travelled to Singapore and parts of Malaysia, attended a conference and visited some family. It was great to see different cultures, enjoy market shopping and eat amazingly yummy food. However, what I really came home with was an appreciation for my family (I was travelling alone) and just a sense of utter privilege to be an Australian. Whilst I was in Malaysia the Malaysian flight was shot down over Ukraine. The sense of shock and sadness in the country was palpable as the people struggled to understand this loss of life and all it means for their nation. I also gained a sense of just how fortunate we are here in Australia. Most of us go home to a bed and meal each night, we don’t have to send our children out to work just to feed the family and we can generally go to a doctor if we aren’t well. For many people in other countries this just isn’t their life experience. I encourage you to remind yourself of the blessings that do come your way every day. I know I struggle to do this just like others, however, the more I deliberately set out to find the blessings, the more I notice! The little saying “every day may not be good, but there is something good in every day” came in one of my emails today. A helpful reminder that there will always be something I can be thankful for.

This term I will be working on Tuesday’s and Fridays due to a change in my work commitments on other days. I hope to catch up with parents through My Time, when I am free, or I would love to catch up and have a coffee if you would like. Contact the office to leave me a message or email me on ruths@chappy.org.au

A day at horse riding - 25th May, 2014,

All staff at RDA agreed it was a great end of term finale with students displaying all the skills and confidence they had learned so far this year and in former years of horse riding at Samford RDA.

Cory responds well to the team of riding coaches.

Olivia listens and follows instructions well.

Isabella is engaging with her helpers.

Laura follows instructions confidently while showing riding skills in an independent way.

Kody relates closely with all his friends at Samford RDA and follows all their prompting.
All our students love our weekly horse riding program, including the part when they go trotting on the horse! This part really promotes great posture, balance, core strength and confidence in our students. Students participating this year are Laura Cameron, Kody Dundas, Olivia Fitzgerald, Corey Harris and Isabella Jorrs.

Horse riding puts smiles on our faces and helps us learn many skills.
