Join us for morning tea at our coffee shop.

"The Frothee Coffee Shoppee" is a school-based work experience program that is operated by our students on Friday mornings between 10am-12pm

Bookings essential

Need somewhere for your next meeting or conference? Available for hire is our new hall and also our hospitality centre, at reasonable rates. Please contact the school for more information.
**Principal’s Update**

Thank you to all those parents or carers who have completed the online school opinion survey. This year the paper survey was replaced with an electronic version that does not identify you but makes anonymous aggregation of the survey in a shorter time frame. All parents and carers were provided with access to the online survey instead of just a random sample of parents and carers. Again thank you to those who completed the survey as it greatly assists future school planning.

Chris Lassig has been seconded to Central Office for Term 4 2014 to assist with the Department of Education, Training and Employment’s coordination with other government departments and external agencies for the introduction of the National Disability Insurance Scheme. Chris misses being here and his current work continues to be of benefit to students attending Aspley Special School. I will be continuing to replace Chris as Acting Principal until the end of the 2014 calendar year.

The Aspley Special School Responsible Behaviour Plan has been revised by the School Wide Positive Behaviour Support team and they have created a final draft. All parents and carers are welcome to provide comment in case any changes are required before the draft Responsible Behaviour Plan is adopted. If you would like to view a copy of the revised draft Responsible Behaviour Plan please contact the office so that a copy can be forwarded to you.

Kylie Glencross and Leena Sanderson continue to coordinate ASDAN and Reading/Communication as part of our school’s Great Results Guarantee. This additional funding is making a difference to the educational outcomes for students’ at Aspley Special School.

The Department of Education, Training and Employment has just released a revised P-12 Curriculum, Assessment and Reporting Framework and supporting materials. This framework and supporting documents provide direction and guidance about how all schools will implement curriculum. As a school we are now becoming familiar with these documents and we will provide you more information about any changes that may be involved in the future. If you would like to view the revised P-12 Curriculum, Assessment and Reporting Framework and supporting materials please go to this web address [http://education.qld.gov.au/curriculum/framework/p-12/index.html](http://education.qld.gov.au/curriculum/framework/p-12/index.html)

We recently had an Open Day for parents and carers who may be interested in their child enrolling at Aspley Special School in 2015. About 13 parents and carers of students in Year 6 and 7 attended. They were very impressed by the facilities, learning programs and also enjoyed a coffee made by students of Aspley Special School. In Term 4 2014 we will be having a follow up day for those who decided to enrol their child as well as transition days where the students who will be enrolled in 2015 are able to get to know more about Aspley Special School.

*Cheers*

Deputy Principal’s Update

We are almost at the end of Term 3 and thankfully spring is finally here. It has been a very full term with many activities and a few more still to come in the next couple of weeks.

Congratulations to the Chaplaincy Committee and the school community on the success of the Trivia Night a couple of weeks ago. It was a fun night and it was great to see such a varied group of people supporting our school and the chaplaincy program. Please check out the pictures and more about this later in the newsletter.

Last week we were again lucky to be given the chance to raise funds through a Bunnings Sausage Sizzle. These days begin at 7am and finish around 4pm and are only successful if we have the support of the whole school community. I would in particular like to thank Alison Hawe, our Stephanie Alexander Kitchen Garden teacher for her continuing support and assistance with these fundraising opportunities. The funds raised last week will go towards supporting parents with camp payments and SAKG.

The "Earn Cash for your School" program that the Aspley Hypermarket is running at present has only one more week to run as it finishes on 12th September. I am told that Aspley Special School is leading. There is a chance that we could win up to $4000 so please try to shop at the Hypermarket in the next week and deposit your receipts in the Aspley Special School box outside the Suncorp Bank.

Next week a number of the Friday groups will be attending the Woody Point Special School's Peninsula Fun Run and then on the last Friday of term we will be having a "High Five Day". This is a rewards day for good student behaviour. Classes celebrate this in different ways and are presently in the process of planning their day. The Raffle Prize shop is also open on these days. It is a great way to finish off each term.

On another note I would like to make clearer the policy around administering medication at school. You will all be aware of the forms that must be completed and signed by your doctors for regular or emergency medication that is required to be administrated at school or on camps. This includes Panadol and Ventolin. If your child is prescribed a medication such as antibiotics or cough mixture the school can administer this if a form is filled in and signed by parents and there is a doctor’s prescription sticker on the prescribed medication.
If you ever require further information about these processes please do not hesitate in contacting the office.

Lastly I would like to wish a "Happy Father's Day" to all the Dads this weekend. Enjoy your day :)

**Head of Curriculum**
*Bust-A-Move*

How exciting it has been to introduce our new Friday Group – “Bust-A-Move.” We have two groups doing hip-hop dancing with their teacher, Anna. It is wonderful to see our students ‘having a go.’

Classes are held during school hours every Friday and cost $10 for an hour session.
Jeans for Genes Day

Congratulations to the school community for your support for the Jeans for Genes day where we raised a total of $226.90 to support medical research.

Library Update

The library is taking shape thanks to all the hard work from Sue (Teacher aide), Elaine (retired Teacher aide), Derek (retired teacher) and Marie (retired teacher). All our books have been sorted according to reading levels, teacher resources are now clearly accessible, the environment is fresh and inviting and we have an improved borrowing system. Thank you to our tireless volunteers.

Teachers have been spending time assessing our literacy and numeracy resources that we have available to support our curriculum. Coming from a third world country, I can say that we are especially fortunate to have these games, activities and kits to improve student outcomes and appeal to their need for entertainment while they learn.
Cheers

From the Office

Only two weeks until end of Term 3 – where did that go?

At the moment, we are in the process of getting the 2015 enrolment packs together with updated forms and information.

Books, games and gifts are left in the office by various booksellers for purchasing. Feel free to come in and browse what is available at discounted prices. They come in handy to put away for that surprise birthday invitation.

Voluntary Contribution, please be aware that this contribution is tax deductible. I will endeavour to get invoices out to you for this contribution for this term-sorry I am running a bit late. We have Efptos facilities in the office for your convenience. Please do not hesitate to contact the office if you have any questions.

Grounds- Sensory area: Grass has been laid between D Block and E Block. Wow! does it look great and the rain has helped it along.

The bench and sun shade built outside the coffee shop makes for an extra area to sit or stand to enjoy coffee and cake.

All classes have planted a tree in the front corner of the grounds, near the front gate. Looking good and absolutely enjoyed by the students!

Wise/humorous ??

If you think something small can’t make a difference, try going to sleep with a mosquito in the room.

Nothing in the world is friendlier than a wet dog!

Why do people keep running over a string a dozen times with their vacuum cleaner, then reach down, pick it up, then put it down to give their vacuum one more chance??

I believe that if life gives you lemons, you should make lemonade... and try to find somebody whose life has given them vodka and have a party!

I realize that humour isn’t for everyone. It’s only for people who want to have fun, enjoy life, and feel alive.

Till next newsletter

**G20 public holiday for Brisbane schools**
Friday 14 November is a public holiday for the G20 Summit and our school will be closed for the day. Enjoy this special, one-off break. [www.education.qld.gov.au/G20](http://www.education.qld.gov.au/G20)

**Plastic Shopping Bags**
The school is after plastic shopping bags again. If you have any to spare can you please drop them into the school office.
Thank you.

**A reminder to parents/carers to notify the school about your child’s health**
Aspley Special School is committed to supporting students’ health and wellbeing. We would appreciate parents/carers providing the school with any relevant health information that is required to support the student at school. This information is also collected at enrolment but needs to be updated regularly, or if a new health condition develops.

Information about medically diagnosed conditions such as allergies, asthma, diabetes and epilepsy and other health conditions that may require school staff to provide support to students, including administering medication and performing health procedures, should be provided to the school. Additionally, any health need that may impact on school activities such as sports, outings (including camps) should also be discussed with the school.

Information should be provided in writing, and any specific health plans (only to be completed and signed by the medical practitioner) should be included. Please contact the school to discuss any specific requirements.

Please inform the school office staff of any changes to contact details or the contact details of the people nominated as emergency contacts.

Thank you for your assistance in this regard. All information is kept confidential and only disclosed to the relevant staff required to supporting your child.

For any enquiries, please contact the school office on telephone 3867 2333.

Insurance Cover for Students

Some school activities and physical education, particularly contact sports, carry inherent risks of injury.

Parents are advised the Department of Education and Training does not have student accident insurance cover for students.

If your child is injured at school as a result of an accident or incident, all costs associated with the injury, including medical costs are the responsibility of the parent or caregiver.

Some incidental medical costs may be covered by Medicare. If you have private health insurance, some costs may also be covered by your provider. Any other costs must be covered by parents.

Student accident insurance pays some benefits in certain circumstances should your child have an accident.

It is up to all parents to decide what types and what level of private insurance they wish to arrange to cover their child.

Please contact your insurer or an approved Australian insurance broker if you wish to take out student personal accident insurance cover for your child.

From the Chaplain

First I just want to say a really big thank you to all the people who helped to make the Trivia Night such a success. Thanks to all the volunteers who helped in so many ways – donating prizes, collecting prizes, wrapping them, organizing the setup, spending hours coming up with the questions and those who helped clean up afterwards! Also a great big thank you to all those who came along, dressed up (wow – I’ve included a few photos), bought tickets, played games, and generally made it into such a fun night. Thank you! Your generosity never ceases to amaze me, and your willingness to support the chaplaincy role and me in it is very humbling. I truly love the kindness and big-heartedness of Aspley Special School and its community. We raised approximately $2000 which will be used to support the chaplaincy program in our school.

Just last week I heard a funny story. A friend was on the toilet when he heard his youngest son talking to someone on the telephone. He could hear him discussing their house and whether they were going to sell it soon or not. My friend realised it was a real estate agent returning his call. Next he hears his son say “Oh, Dad’s on the toilet doing a poo, I’ll just go
get him”. Needless to say the real estate agent hung up with a laugh and my friend has decided to change agents!

This story reminded me of how honest our kids can be! Sometimes a little too honest for our comfort! I wondered, then, how often have I sold out my honesty for the sake of comfort? I like to be liked or fit in with the “crowd” and sometimes that is a problem for maintaining honesty. The challenge is there for me, and maybe others – if my comfort is threatened do I still stay true to my real heart or do I sell out for the sake of the easy option. I’m learning that being honest is one measure of my character and I make choices every day about where I am growing it. I love Mark Twain’s famous saying “If you tell the truth you don’t have to remember anything” – good advice for learning to stay honest even when it’s not so easy.

I hope you are having a good term – week 7 already! I am working on Tuesday’s and Friday’s this term. I would love to catch up with parents/family if you want a chat or a coffee. Feel free to email me or ring the office and leave a message.

Parents/carers, I'm happy to attend with students if they would like to go, but parents need to let me know.

There is a chance that we can get sponsorships for students to attend if they are keen and carers could attend for free if they're supporting a student.

**Recipes from the office**

**CHOCOLATE AND MINT ICECREAM**

1 cup milk  
2 cups cream  
½ cup sugar  
1/3 cup brown sugar  
¼ cup cocoa  
Pinch of salt  
½ teaspoon vanilla essence  
¼ cup mint leaves packed

In a large bowl mix the milk, sugars and salt until all dissolved.  
Mix in the cream and the essence.  
In a food processor blend the mint briefly and add this to the mixture.  
Place this bowl and the mixture in the fridge covered for 1-2 hours.  
Pour into the ice cream maker and blend for 15-20 minutes.

Using a spatula, scoop mixture into the final container for overnight freezing.

Enjoy.

Here are some Frequently Asked Questions about ‘WIN CASH FOR YOUR SCHOOL’ Campaign

Q: Where can I enter?
A: There will be entry boxes for participating schools outside Suncorp Bank (towards Kmart). Simply drop the original receipt into the allocated school entry box.

Q: What if we need to keep the receipt and don’t want to drop this into the entry box?
A: You can still enter by bringing in the receipts to Centre Management and we can collate points, where we will simply stamp the receipt so that it cannot be used again for this campaign.

Q: When can I collect extra points?
A: An Entrant can claim 20 additional Entry Points (“Bonus Points”) if the Valid Receipt shows that the Eligible Transaction was made:
   a. between 5:00pm and 9:00pm on any Thursday during the Promotion Period; or
   b. on any Sunday during the Promotion Period; or
   c. at a Fresh Food Retailer at any time during the Promotion Period.

An Entrant can claim double the number of Bonus Points (40 Bonus Points) if the Valid Receipt shows that the Eligible Transaction was made at a Fresh Food Retailer either:
   a. between 5:00pm and 9:00pm on any Thursday during the Promotion Period; or
   b. on any Sunday during the Promotion Period.

Q: What is a valid receipt?
A: A valid receipt/entry is any receipt from Aspley Hypermarket Shopping Centre. It must not be a duplicate or photocopy and must be the original receipt.

Q: What if I forget to grab a receipt for my purchase?
A: Unfortunately if you have forgotten to pick up a receipt from the retailer, you have forfeited your entry. Please remember to ask for your receipt at the next purchase!

We would like to take this opportunity to thank the schools for expressing their interest in participating. If you have any queries, details can be found on our website at www.aspleyhypermarket.com.au.

Good luck!
