

**Want to help?
You can Donate items or Volunteer**

WE RECYCLE YOUR ITEMS

Acceptable Items

- Aluminium cans and steel
- Stamps and envelopes
- Glass bottles and jars
- Electronic equipment e.g. Computers, laptops, TVs
- Whitegoods, hot water systems
- Car batteries
- Raw vegetable scraps for our Brisbane City Council Community Composting Hub

Through the Kingfisher Recycling Centre, Aspley Special School has been processing the local community's recyclable materials since the school opened in 1974. This collaborative project, between Aspley Special School and committed volunteers, has seen this centre grow into one of the largest school based recycling centres.

We **DO NOT** process Cardboard, Newspaper, Pamphlets, Furniture, Tyres, Paint, Polystyrene, Motor Oils, Fibro, Gyprock, General Builders Waste, Insulation Materials, Acids, Hazardous or Medical Waste.
