Investing for Success

Under this agreement for 2020
Aspley Special School will receive

$53,405.00*

This funding will be used to

- Embed, refine and renew the existing Communication and Literacy programs while introducing a whole school Mathematics program.
- Employ additional Speech Language Pathology time to work with students, parents, care givers and teachers to enhance the School’s mentoring and coaching program, in the area of Augmentative and Alternative Communication (AAC).
- Ensure that all students identified through the Roadmap of Communicative Competence (ROCC) assessment tool have a voice to communicate and access to a communication system such as a Pragmatic Organisation Dynamic Display (PODD).
- Increase staff capacity to enable students to be Ready to Learn.
- Ensure students are attaining a QCIA and VET or ASDAN certification that can enhance post school pathways.

Our initiatives include

- Reviewing each students’ performance, engagement and attainment based on data collected, recorded and analysed in the targeted areas, as part of a cycle of inquiry designed to improve learning.
- Using recurring data cycles to monitor and adjust learning programs.
- Aligning specific teaching and learning pedagogies to implement student outcomes in Mathematics.
- Supporting the development of cycle of inquiry processes to build teacher capability in identifying, sharing and implementing effective teaching practices.
- Improving teacher capability to collaboratively moderate the assessment of communication.
- Training more staff in Berry Street Education Model to improve positive behaviour for learning practices and strategies.
- Improving student exit outcomes and providing experiences to a variety of post school options.

Our school will improve student outcomes by
